### STILL UNSETTLED.

Board Has Not Decided on Site of Agricultural School.

[Special to The Times-Dispatch.] CHESTER, VA., June 12.—The commencement exercises of Chester High School were a success, and were largely attended. Colonel Wood, of the Burkeville Agricultural High School, delivered a masterful address on the history, development and the future of agriculture. Only one diploma of graduation was awarded, and that was presented by Professor P. M. Tyler, the principal, to Miss Gay Ashton Hatcher, of this place.

On Monday the Bermuda District School Board, with Superintendent C. M. Hazen, met here to formulate and adopt plans for the early construction of the agricultural and high school buildings at this place, and to close the deed for the farm land. The deal and deed were finally consummated and will now go to record, but the location of the buildings was not definitely settled. The architect, Mr. Robertson, of Richmond, met the board here with plans and suggestions, but the board was not able to definitely remove

some difficulties involved in the case. These difficulties are mostly in the lack of sufficient funds to build as desired, and the opposition of the people to forsaking the present high school site and placing all the school buildings on the farm, which the board seems to prefer.

### SHOWS SIGNS OF LIFE.

Campaigns Open Up with Organization of Clubs.

[Special to The Times-Dispatch.] SUFFOLK, VA., June 12.—A Mann club was started here last night with fifty-two members. Former Mayor R. L. Brewer, Jr., is president. Horace J. Bowen, secretary, and A. B. Covington, treasurer. There are eight vice-presidents. Dr. Henry Wood Campbell, R. L. Brewer, Jr., and John Kline were appointed a committee to learn when Judge Mann will come to make a speech.

A Tucker club will be organized next Thursday night. Mr. Tucker was wired to come on that date, but to-night sent a negative answer, declaring that he will be here later. Mr. Tucker's local manager says he will challenge Judge Mann for another joint debate. The gubernatorial campaign, heretofore obscured by a hot legislative fight, is just beginning to show signs of life.

### ENCAMPMENTS ASSURED.

They Will Be Held Despite Lack of Funds.

[Special to The Times-Dispatch.] RALEIGH, N. C., June 12.—That there will be regimental encampments this summer is the opinion of the North Carolina National Guard at the State Encampment Ground at Morehead City. The determination reached to-day by the advisory board of the ground, in a conference here with Governor Kitchin and Adjutant-General J. E. Armfield, it was found that the encampments could be held in spite of the fact that supplies costing \$30,000 must be provided by January to put the guard on the regular basis. The encampments will be seven days for each of the three regiments, the Second to go into camp July 1, the Third, July 15, and the First, August 1.

Judge Williams, candidate for Attorney-General, is also expected to be on hand. She secured her honors at the Driver High School, which closed Friday, and each day this week she was stricken speechless.
